BACKGROUND AND KEY ISSUES

As part of a continuing series of workshops on key themes and issues, this workshop reviews the role of Council's Community Library in community development. In particular, the workshop:

- Sets out the function and strategic direction of the Community Library
- Reviews proposed alignment between the Community Library's operation and Council's community development activities and outcomes, and
- Discusses these roles in the context of a resource-constrained environment.

FINANCIAL IMPACT TO COUNCIL

No financial implications have been identified.

STATUTORY AND POLICY IMPLICATIONS

This section should refer to any applicable Federal or State legislation or policies of Council.

A range of relevant legislation underpins community welfare within the community, however Council's overall responsibilities are under the *NSW Local Government Act, 1993*.

RISK IMPLICATIONS

No specific risk implications have been identified.

ASSET MANAGEMENT IMPLICATIONS

No asset management implications have been identified.

PREVIOUS COUNCIL DECISIONS

This is the first time this matter has come before Council in this form although an overview of the operations of the Community and Economic Development section of Council was provided during Councillor induction.
